Lightning struck a garage on East 9th Street in Flora. The resulting fire caused significant damage to the garage.

A cold front interacting with a hot and humid airmass triggered scattered thunderstorms across portions of central and southeast Illinois during the late afternoon and evening of August 31st. Most of the storms were confined to locations along and south of a Danville to Taylorville line, where gusty winds downed a few tree branches. In addition, a lightning strike cause substantial damage to a garage in Flora.
